Barium Messenger

Vol. 24 BARIUM SPRINGS, N. C. APRIL 1947 No. 6

Campus Happenings

The Barium Messenger coming out just once a month cannot carry reports of all the interesting events which take place at Barium. This time it is increasingly difficult because this particular issue covers nearly two months of activities, and during that two months so many things have happened. To begin with, there was the Junior Mid-Piedmont Tournament, and then there was the Student Conference, and then a lot of the grown folks went down to Charlotte to attend the Tri-State Orphanage Conference. Then we have had the Senior Play and the different classes have put on Chapel Programs which have been most interesting, and as this is written we are getting all dressed up for the big music recital. Then there is the basketball banquet, and all of those things ought to be talked about, but we will just have to devote a little bit to each one of them.

Let's begin with that Junior Tournament. This year there were 32 teams entered. Play began on March 18th, and every day that week from then on four games were played in the afternoon and four at night and the following Monday afternoon four games were played with the finals that night.

On the eve of the first day's play one of the girls' teams dropped out and Barium substituted a second team, so this year Barium had two girls' teams and one boys' team entered, and two of these teams went into the finals on Monday night, and in the finals our boys were defeated by Mooresville and our girls came through victorious. There were 16 trophies given at this tournament and we believe more fun was had at it than at any of the big tournaments.

Just a week after this we had the basketball banquet. Our pastor, Reverend F. B. Benton, was the toastmaster, and the following boys and girls were awarded monograms or letters:

Earl Allen, Benny Gregory, Dwight Spencer, Charles Barrett, Jack Mangum, Jerry Young, Herbert Good, J. D. Everett.

Hannah Price, Toni DeLancy, Lee Vinson, Helen Hawley, Janie

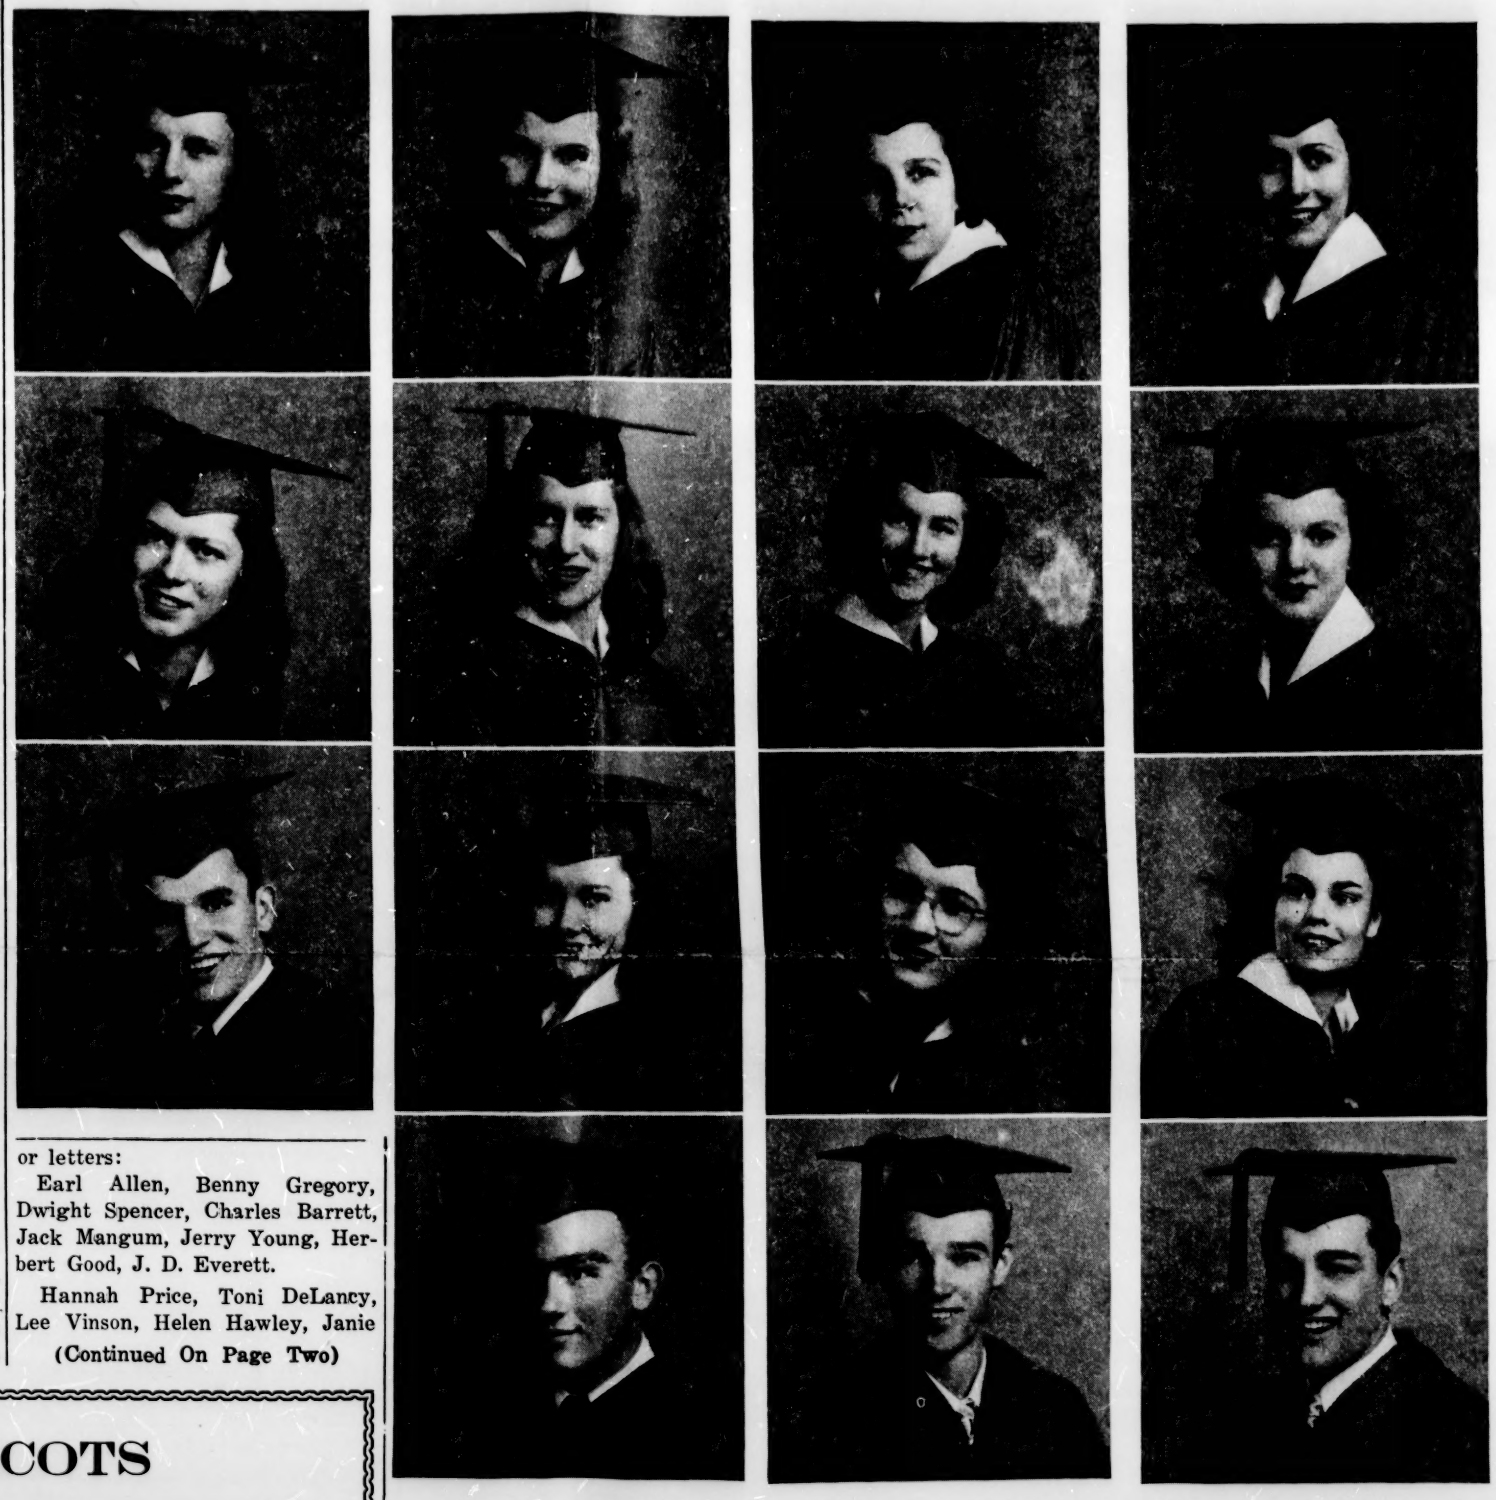
Eleven Girls and Five Boys Graduate at Barium Springs This Year



TOP TO BOTTOM

First Row: Mary Ann Ryder, Lee Vinson, Dwight Spencer, Class President.

Second Row: Eleanor Pope, Hannah Price, Myrtle Rushing, W. A. Johnson.

Third Row: Frances Isenhour, Margaret Katen, Jean McDonald, Benny Gregory.

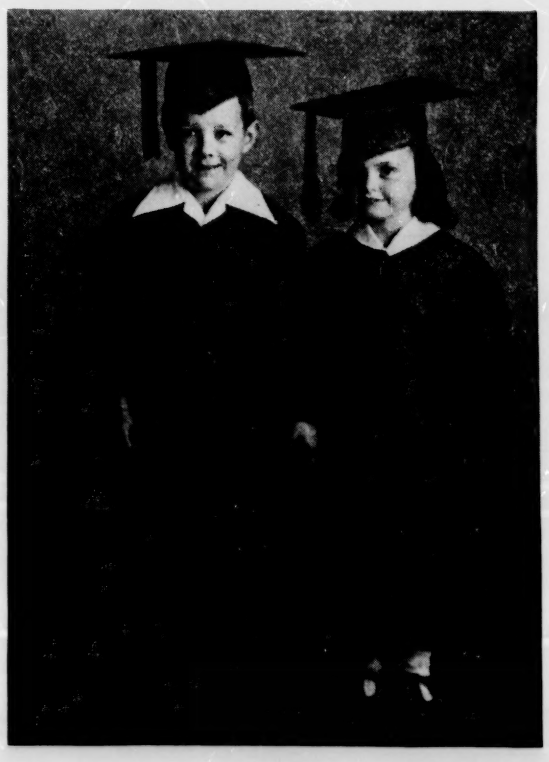
Fourth Row: Toni DeLancey, Helen Hawley, Miriam Huddleston, Earl Allen.

We are presenting in this issue of the Messenger our graduating class for 1947. There are 16 in this class, but only 15 pictures. The other member of the class is a neighborhood boy who did not get his picture in in time - Buddy Lippard. He has been a most consistent member of the high school for the last four years. The girls greatly outnumber the boys as has been the case since the war started. It will continue through next year's class, and then we hope it will even up.

The member of the class who has been at Barium the longest is Jean MacDonald who entered from St. Pauls, N. C. in 1933, the youngest of a big family.

Earl Allen is next. Earl entered in 1934 from Lexington, the same year that Hannah Price and Myrtle Rushing entered. These two girls came from different parts of Union County. In 1935 Helen Hawley from Wilson, N. C. entered; in 1936 Dwight Spencer from just over in Mecklenburg (Cornelius) entered, as did Lee Vinson from Johnston County. In 1937 Toni DeLancey from Charlotte and Mary Ann Ryder from Durham entered. None of the class entered in 1938 or 1939, but 1940 brought in Frances Isenhour from Concord, and in 1941 Margaret Katen from Lexington, Benny Gregory from Charlotte, Eleanor Pope from Elizabethtown, and Miriam Huddleston from Wilmington, and in 1944 the baby of the class entered - W. A. Johnson from Laurinburg.

Mascots



The mascots for the class are Joe Anne Jackins whose Daddy was raised at Barium and whose Mother taught at Barium and who is named for Mr. and Mrs. Johnston. The boy mascot is Adrian Cochran, but nobody knows him by that name - Buddy he is to everybody at Barium.

Pastor's Paragraph

By Rev. F. B. Benton

I BELIEVE IN THE FORGIVENESS OF SIN"

The oldest problem of the human race is the problem of sin. Hell used to be a favorite sermon topic for preachers, but we don't talk much about it any more. The consequence of sin is still eternal punishment in hell, but we today prefer to stress the means of escape. We have discovered that more people can be loved out of hell than can be scared out of it.

The writers of the Apostles' Creed expressed the same emphasis that we use today. They spoke not of punishment but of forgiveness. The fifth article of the Creed states, "I believe in the forgiveness of sin." Here is the core of Christianity's appeal and the keystone of its hope, for the path of forgiveness is the one path to eternal life.

The ever present fact of sin keeps constantly before us the need of forgiveness. Of course, many people manage to dull their consciences enough to put it out of their minds, especially when things are going well with them. But sooner or later the inescapable fact creeps back upon them, and their guilt before God makes itself known. I shall never forget calling at a home during a former pastorate in an effort to interest a family in the church. In

NEWS FROM SOME OF THE COTTAGES

WOMAN'S BUILDING

Dear Friends,

It has been quite a long time since there has been any news from the Woman's Building in the Messenger, so we should have a lot to talk about.

There has been much flurry and excitement in our building in recent weeks. Ten seniors are getting ready to leave us in May. They certainly will be missed, and our building will seem rather empty for awhile until we get some new Rumple Hall girls.

The Juniors have been quite busy too. They have been preparing for that gala occassion that all the Seniors look forward to - the Junior-Senior banquet and dance. The rest of the girls are happy too, because school will be out in four weeks.

One of our girls is getting married in May. We are very glad she is getting married this soon after graduation because we will have the opportunity of seeing the wedding which will be held in Little Joe's Church.

One of the most interesting features at Barium was the Student Conference which was held here last month. Delegates from many orphanages attended and stayed with us for three days. We learned a lot about the other orphanages, as well as making many friends. The Woman's Building housed the girls, while the quads took care of the boys. The girls were hostesses at a tea given for the delegates on Friday evening 27th.

Until next month this is all the news, so don't forget to read our column next month.

— The Woman's Building girls

HOWARD COTTAGE

Hello Folks,

We have a new girl over at our house, she has not been here very long, and her name is Betty Ann Blackburn.

We have a new substitute matron over at Howard. She is in the eleventh grade and her name is Ernestine Baldwin. She is nice to us, and we like her. She has been our matron this week-end, and we enjoy having her.

School will be out in about a month. All of us will be glad to let our minds rest a while, however our hands will be busy stringing beans.

Linda Inman, Louise Bradshaw, Aline Thomas, Betty Blackburn, Mary Bowles, Phoebe Cochran, Shirley Byrd, Lois Dellinger, Margaret Hucks and Carol Jean Andrews made the honor roll for the last six weeks period. Because this includes about half of our family, we are very proud of this record.

Most of the grammar grades have been enjoying practicing their commencement plays which we are looking forward to present during the next few weeks. Come up folks and see some good entertainment!

You should have seen the happy faces on Easter Sunday, for we were thrilled to death wearing our pretty Easter dresses and ribbons. We know that we have more than that to be thankful for though, and all of us appreciate every kind little deed you have done for us. Thank you each very much.

—The Howard Girls.

LEES COTTAGE

It has been several months since you have heard from us.

School will be out the tenth of May and we will be glad.

The campus is pretty now and it is our job to keep it clean and we are doing a good job. Hope you will come to see us this summer.

We are going to take off our shoes in a few days and we are all excited.

We have been studying the Child's Catechism and the following boys have recited it: Tommy Scott, Leroy Norman, Jimmy Harrison, Eugene Thomas, Jimmy Harwell, Edward Lane, Frankie Smith and Archie McMannen.

We want to thank our friends in Mooresville for the cookies they brought us Easter.

We have a flower bed in the back yard and we hope to have some flowers for the house this summer.

We are all interested in soft ball now.

— Lees Boys

Pastor's Paragraph

(Continued From Page One)

answer to my invitation the father in the home replied, "We feel no need of the church. We live as best we know how, and we are certainly getting along all right without it." His words pretty well summed up the man's feeling of self-sufficiency. But later I was called back to that same home. Conditions had changed and trouble had entered. The father spoke again, quite differently this time: "We realize now that we have been neglecting and dishonoring God, and that we need Him."

Some would say that God was punishing those people for their sin. But I believe as the Scripture tells us, that God brought them low in order to bless them. Our God of love would rather forgive than punish, but often He has to use severe means before He can make us ready to receive His forgiveness.

All sin is primarily against God, and all failure to honor Him and to obey His law is sin. Even so great a man as David had to learn this truth by painful experience. When he committed his great sin of taking the wife of Uriah the Hittite and was confronted with his sin by Nathan the prophet, he left us a record of his repentance in the fifty-first Psalm. And the great burden of that Psalm is in these words, "Against Thee, Thee only have I sinned." Beside the offense to God, the offense to others faded into insignificance. Every sin is first and foremost against God.

But the Christian can say with confidence, "I believe in the forgiveness of sin." This same God who is offended has made a way of escape for all who have sinned. Perhaps we are used to thinking of some as "hopeless cases", but Christ teaches that all who look to Him can be forgiven. The case of the paralytic who was brought to Him teaches us this truth. He was in a hopeless condition when his four friends brought him to Jesus. And Jesus spoke to him first of his most serious need, "Thy sins be forgiven thee." Only when the bystanders whispered in horror of blasphemy upon hearing these words did Jesus continue his healing and move from soul-need to body-need. In doing so He made it plain that the physical healing was but proof of His power to forgive. "That ye may know that the Son of Man hath power on earth to forgive, I say unto thee, arise and walk." Yes, there are no hopeless cases.

But perhaps our error is at the opposite extreme, and we take the forgiveness of God for granted. This same miracle corrects this error by showing us that the one basis of forgiveness is the power of Christ. As sin is an offense against God, only He can forgive. The mission of Christ to the world was to establish a means of forgiveness commensurate with God's justice. His death on Calvary unlocked the door of forgiveness, for only by bearing our guilt and paying the penalty of death for every sin could this be done. God's justice and mercy were reconciled in the cross, and only in Christ and through Christ is forgiveness possible.

Nor may we forget that we too have a part in obtaining forgiveness of sin. We must repent and believe. Repentance, which is the burden of David's great Psalm that we have already mentioned, has been defined as "being sorry enough not to do it again." Belief, or faith, is emphasized in the story of the paralytic. John sums up both in his great statement, "If we confess our sin, He is faithful and just to forgive us our sin, and to cleanse us from all unrighteousness."

There is yet one more thing we must notice, and that is the extent of God's forgiveness. Human forgiveness is seldom complete. The memory of a wrong lingers on and crops up again under the proper conditions. Often the wrongdoer is less intimate or less respected by the wronged one than before. But this is not so with the forgiveness of God. His forgiveness is total and complete. When He forgives, He then looks upon us as if we had never sinned. He sees us clothed in the righteousness of Christ, and thus as pure and sinless as our Savior.

Such forgiveness is always ready for those who come through Christ in faith and repentance. It is there for the child standing on the threshold of life, for the reprobate as near to death as the thief on the cross, and for every Christian who seeks forgiveness for his sins anew each day.

When I say, "I believe in the forgiveness of sins", I imply other things as well. I must also mean, "I believe in the love of God — in the atoning death of Christ for me — and in the power of the Holy Spirit to change my heart."

There has gone from us one whom, though not all of us knew her personally, we counted among our friends, because she was so near to one of our number, Mrs. W. F. Andrews, mother of Miss Lulie E Andrews, Cashier and Bookkeeper of Presbyterian Orphans' Home. Her cheery presence will be greatly missed when we drop in at Miss Lulie's apartment. Our thoughts are with Miss Andrews in the loss of her mother.

$4,000.00 More Given by Sunday Schools.— Eight More Sunday Schools In Clubs

Each year when the offerings are all in for the fiscal year just closed we make up a report on the gifts from the Sunday Schools of the Synod that take a special offering for Presbyterian Orphans' Home. In this we do not include the Thanksgiving Offering. We will print that report later.

The returns this year are indeed gratifying. To make special mention of the increases in each case would almost require two lists. The total amount from these clubs this year is the splendid sum of $28,472.39. The year before the figure was $24,793.15. Last year we reported ninety-nine Sunday Schools in these clubs. The number this year is one hundred and seven.

CAMPUS HAPPENINGS

(Continued From Page One)

Hall, Lucille Stricklin, Sadie Gray Buie, Helen Vinson, Ann Wicker, Mary Dickson Arrowood.

Special honors went to several of the players. Benny Mac Gregory was voted the most valuable boy player, Earl Allen was elected captain for the season. Among the girls, Helen Hawley was voted the most valuable and Hannah Price the captain. The banquet was just a home affair with not more than three outsiders these being from the press. Quite a number of old boys and girls were here and there were altogether around 200 present. It was quite an occasion.

Just a little later we had a very remarkable gathering at Barium. This was the Student Conference, a revival of an organization that commenced to function about ten years ago but had to drop its activities during the war period. It is composed of a selected number of students from The Children's Home, Mills Home, The Kennedy Home, Lexington Junior Orphanage, Oxford, Hughes Memorial School at Danville, Virginia, and Barium.

The Beta Club at Barium sponsored the meeting and they got off to a good start on the night of March 27th. Their meeting lasted through the night session of the 28th and adjourned Saturday morning, the 29th. Two of the members were commissioned to present their findings to the Tri-State Orphanage Conference which met in Charlotte on the night of April 8th. Dwight Spencer of Barium was the temporary chairman to convene the meeting and was elected permanent chairman for this meeting. Jerry Young was elected president for next year and the meeting will, no doubt, be held in the neighborhood of the latter part of March, 1948. Dwight Spencer of Barium and Ben Tucker of Oxford were the two commissioned to present their resolutions to the Tri-State Orphanage Conference. They did this on the night of the 8th and did a splendid job - they were well received by the Conference.

The program of commencement has been pretty well prepared and the activities of the school now are looking toward commencement. Our baccalaureate sermon on the morning of the 11th will be preached by the Reverend John McAlpine of Lexington. The sermon on Sunday night will be delivered by Reverend Samuel M. Houck of Loray, and the commencement address on the night of the 12th will be delivered by an old Barium boy, Reverend Samuel E. Howie, D. D., of Fayetteville. The senior play was quite interesting as well as

(Continued From Page Two)

the other programs. The sixth grade put on a mock wedding which was so perfect in all its details, that we expected a shower of rice when it was over.

Barium had a rather large meeting on April 21st. This was the annual meeting of the Western North Carolina High School Activities Association. There are 30 schools in this Association and 20 of them were represented at this meeting, about 50 delegates altogether. The Executive Committee met during the afternoon and all took supper in the big dining room that evening, the annual meeting following immediately. People seem to like to come to Barium. We had a steak supper that night, and that may have had something to do with it. The fact that we always have apples to eat has a lot to do with it, but the smiling pleasant way that our young girls serve the dinner guests has the most to do with it.

Oh, yes! Here is a big piece of news. Ever since Barium got out its first athletic team there has been a problem as to how to get that team moved from place to place. We have solicited friends to furnish cars. We have really worn out the cars belonging to many of the folks who live at Barium. The business of transporting a football team and midget teams and basketball teams, etc. amounts to a lot in a year's time. Every time we have had to make a trip we have come back home dreaming of the day when we would have a bus. Well, back yonder nearly two years ago we reached the point where the Board authorized us to buy a bus and we placed the order, and then we thought we would never get it, but here on the day that our athletic season ended the bus was delivered, and it is a beauty. It so happened that the very next day after we received the bus 28 of our music students were to take part in a contest in Salisbury and they got to make the first trip in that bus. Since then it has been used for a number of things. Every month the Playhouse Theater in Statesville gives a free ticket to each of the two leaders in every grade. Well, that is just a bus load of folks and sometimes it takes a whole month to get those youngsters in to the theater a few at a time, but now we just load them up and take them in at one time. How lovely! There are many other occasions which we use it for. Up to now it has made one trip to Charlotte, one to Mooresville, one to Salisbury, and dozens of trips to Statesville, and the new hasn't worn off of it yet.

Softball has come to life again. When we lay aside our highly competitive sports like football, basketball, etc. we want to relax and still we like to play. Mr. Calhoun seems to be a genius at capitalizing on this desire. He has organized a four-team league of softball. Twice a week we meet for a double-header. It is a faculty team and three student teams, and already eight games have been played. The season lasts until the end of school and then we will take up something else.

The tennis experts are beginning to flex their muscles - these muscles, by the way, have to be first used in getting the weeds out of the tennis court then they can use a racket.

It will soon be time to commence cleaning up the camp. The camp is already booked solid from June 6th to August 21st. There is just something doing all the time.

Happy Days!

Music Contest

Barium Springs School was represented in four events in the district music contest held at Catawba College March 21st. Virginia Presnell was selected from four contestants in a local contest to represent the school as soprano soloist. Other numbers entered were a mixed quartet, girls trio, and the mixed chorus. Barium's mixed quartet is composed of Dickie Arrowood, Anne Wicker, Herbert Good, and Charles Barrett. Members of the girls' trio are Callie Dunn, Virginia Presnell, and Dickie Arrowood.

The number of entrants was greater, the competition keener, and the judging seemingly stricter, than in former years; with the result that none of the Barium contestants received a rating of "I", which entitles them to enter the state contest. The trio received a rating of II, which gave them a certificate. They were the only Barium contestants to receive ratings higher than III, but a rating of III is considered "Good".
